To our Local 46 Family!

The local wildfires have devastated the landscape, destroying property, personal homes, and natural habitat. Most importantly, human life has been taken. Many of our friends and loved ones have been affected, and this is why IBEW Local 46 will step-up once again to help our Family in need.

If ANY Member of Local 46 has been evacuated, or displaced due to the wildfire disaster, Local 46 has secured emergency temporary housing for you! If you know of any member who has been displaced or has lost their home, please let us know so we can contact them and offer direct assistance. Local 46 has mobilized our first - ever Disaster Relief Squad (DRS) with the sole purpose to help members through this crisis. Our Staff point-person is Business Representative Brother Harry Thompson.

So, If ANY Member of Local 46 has been evacuated or displaced due to the wildfire disaster, and you need emergency temporary housing or other support, please call or text Brother Harry Thompson at 206-321-1314 or e-mail at harry@ibew46.com.

Always remember that true Solidarity is the Key to our Union Power. We help each other in crisis and times of need. When you are in doubt, just read the first line of our IBEW Declaration: ***"Our cause is the cause of human justice, human rights, human security"!***

Please share this with ALL Local 46 members you know. Thank you for your time, and please stay SAFE!
