Good afternoon, Local 46 Family!

This is an update on the pending Carpenter's strike situation. We have been notified by their Union Leadership that there will be select projects on strike tomorrow (9-16-2021) morning. The actual locations are to be determined until the early morning hours. The targeted projects by the Carpenter's Union leadership are formally endorsed by the Seattle Building and Construction Trades Council as of today.

To ALL IBEW 46 Apprentices: you are to report to work. If there are not sufficient Journey workers for you to work with proper supervision, you will be sent home. If you have any questions, please contact the JATC.

To ALL LU 46 Members: Keep In mind that there will be NO work stoppage on any Project Labor Agreements (PLA) or Community Workforce Agreement (CWA) projects (Convention Center, Sea - Tac Airport, Climate Pledge Arena, etc.) by any tradespeople. If you are working on one of these projects, you are to go to work.

If you have any questions, please contact your direct Business Representative.

All members of LU 46 will be updated as more details come available and changes take place. If you have any questions, please contact your direct Business Representative!

Thank you, and please stay safe.
