ARTICLE 1 - PURPOSE

1.01. The purpose of this Agreement is to provide a skilled workforce for the Washington State Convention Center (WSCC) that is dedicated to offering world-class service to guests of the convention center. World-class service is based on the commitment of management and all employees to the highest standards of hospitality, courtesy, and excellence while maintaining labor cooperation and harmony throughout the term of this Agreement. Achievement of this purpose is based in part on the WSCC having available to it a pool of trained, service-oriented employees who can be called to work to fulfill the varying needs of the WSCC. Task flexibility for this pool of employees is important to ensure high quality and efficient service in a facility that is easy for guests to use and enjoy.

ARTICLE 2 - SCOPE

2.01 This Agreement shall cover the employment of the WSCC employees, the employees of exclusive contractors to the WSCC, and employees of contractors hired by the WSCC, as set out in Appendices A, B, C, & D.

ARTICLE 3 - NON-DISCRIMINATION

3.01 Equal Opportunity

Neither the WSCC, the WSCC-LC, nor any employee shall in any manner unlawfully discriminate against any employee or applicant for employment on the basis of race, age, color, national origin, marital status, sex, sexual preference, orientation, gender identity, genetic information, pregnancy, military status, veteran status, disability or any other status protected by applicable Federal, State or local laws. Claims made pursuant to this Section shall not be processed beyond Step 3 of the grievance procedure (Article 15). Nothing in this Section shall be deemed a waiver of a claimant's rights under RCW 49.60.

3.02 Union Activities

There shall be no discrimination by the WSCC against any employee because of union activities. Grievances alleging a violation of this Section may be processed through Step 4 of the grievance procedure (Article 15).

3.03 Non-Gender Specific Language

Where the masculine or female gender has been used in any job description or in any provision in this Agreement, it is used solely for the purpose of illustration and shall not in any way be used to designate the sex of the employee eligible for the position, or the benefits of any other provisions.

3.04 Rehire Preference within 12 Months

If the employment of a non-probationary employee is terminated solely because of the employee's loss of United States employment eligibility, such termination shall not in any way bar reinstatement of such employee's employment status provided that, within twelve (12) months of such termination, the employee satisfactorily completes the Employer's pre-employment background screening process, within the following guidelines:

- a. in a job classification with fewer than ten (10) employees, the first available position shall be offered to the Employee;

- b. in a job classification with ten (10) or more employees, the Employer agrees to offer to rehire the employee into their former classification.
- c. Employees returned to work as described in either (a) or (b) above shall be restored to the seniority they held as of the date of termination; under no circumstances will seniority and benefits accrue or be deemed to have accrued during the period of termination.

3.05 Name Changes and Social Security Letters

The Employer will not terminate or affect the employment status of any employee solely on the basis of either a name change or a Social Security Administration "SSN No Match" letter. This provision in no way restricts or limits the Employer's right to comply with the Immigration Reform and Control Act ("IRCA") or any subsequent legislation or regulations, or to engage in document verification procedures, including verification of Social Security numbers.

3.06 Negotiation Over New Legislation, Executive Orders, or Regulations

In the event new legislation, executive orders, or regulations materially impacts the immigration status of WSCC employees, each party agrees to meet with each other to bargain the direct impacts of such change.

3.07 Compliance with DHS Requirements

1. In the event a Department of Homeland Security (DHS) agent approaches a manager, supervisor or security personnel of the Employer, seeking admittance to employee-only areas for the purpose of questioning or detaining an employee, the Employer shall make a good faith effort to confirm that the DHS agent has a warrant signed by a federal judge or magistrate, or other acceptable legal authorization, before allowing such access. Both parties agree that no financial remedies or costs shall be sought in any grievance connected to an alleged violation of this Section 3.07. The Employer shall train any managers, supervisors or security personnel who handle admittance into private areas of WSCC on this Section.
2. In the event that the WSCC is served with a search or arrest warrant, the WSCC will make a good faith effort to have questioning of an employee occur in as private a setting as reasonably possible in the work area.
3. The Employer shall permit inspection of I-9 forms by DHS or DOL only after a minimum of seventy two (72) hours written notice, or other such period of time as provided by law or where such inspection is otherwise in accordance with the provisions of this Article. The Employer shall not provide documents other than the I-9 forms to the DHS for inspection or reveal to the DHS the names, addresses or immigration status of any employees in the absence of a valid DHS administrative subpoena, or a search warrant or subpoenas signed by a federal judge or magistrate, or where otherwise required by law.

3.08 Notice to the Union

The Employer shall notify the shop steward and Union as soon as practicable, unless objected to by the affected employee, if the Employer is contacted by the Department of Homeland Security (DHS) (formerly the INS) regarding the name and immigration status of an employee covered by this Agreement or if a search and/or arrest warrant, administrative warrant, subpoena, or other request for documents is presented in order that the Union can take steps to protect the rights of its members. The Union

agrees that it shall keep confidential any information it obtains pursuant to this provision and that it will use any such information solely to represent and/or assist the affected employee in regards to the DHS matter.

ARTICLE 4 - RECOGNITION, UNION MEMBERSHIP AND DUES DEDUCTION

4.01 Recognition

The WSCC recognizes each of the signatory Unions through the Council as the exclusive bargaining representatives for the employees already working in the classifications listed in Appendices A, B, C, & D.

4.02 Union Membership

Employees hired into the bargaining unit may voluntarily join the Union, including the payment of Union dues/fees in accordance with Section 4.2 below. The Employer agrees to remain neutral regarding Union membership. Should employees have particular questions about Union membership, the Employer will refer those employees to this Agreement and to a Union representative.

4.03 Dues or Fees/Payroll Deduction

The Employer shall deduct union dues or fees for all employees who individually and voluntarily authorize and affirmatively consent in writing for such payroll deduction of dues or fees from each month's paycheck. Written authorization for dues/fees deductions shall be provided to the Employee by the Union. The Union shall designate the amount to be deducted. Such amount shall be remitted promptly to the Union. Employees requesting to stop dues/fees deductions shall provide written notification to both the Employer and the Union, with the Employer stopping deductions following written confirmation from the Union that the employee's dues/fees authorization has been terminated in compliance with the terms of the written authorization executed by the employee.

4.03.1 Hold Harmless

The Union shall indemnify, defend, and hold the Employer harmless from any and all liability arising as a result of administration of the membership and payroll deduction provisions in this Article, including the reimbursement for any legal fees or expenses incurred in connection with any claim, lawsuit, order, judgment, or other form of liability asserted against the Employer in connection with this Article.

4.04 Hiring

4.04.1 Full-Time & Part-Time Categories

At least seven (7) days prior to filling, the WSCC will notify the appropriate Union, in writing, of job openings for full-time and part-time positions in the classifications which they represent. The WSCC may temporarily fill a position during the hiring process. All applications will be processed according to the WSCC's normal employment process. Applicants shall be hired based on their experience and abilities. Initial employment shall not be conditioned on Union membership.

4.04.2 On-Call Categories

The WSCC-LC shall provide the WSCC with a pool of trained, service oriented on-call employees. If a signatory Union determines not to supply the necessary employee(s) within forty-eight (48) hours of the WSCC's request, the WSCC may hire from any source.

Any Union which determines not to provide a pool of trained, service oriented on-call employees shall notify the WSCC of that fact at the time of the ratification of this Agreement. That election shall be made in writing. Thereafter, the WSCC and its contractors may hire on-call employees as required from other sources.

One year following the commencement of this Agreement, and annually thereafter, a Union may determine (with ninety (90) days advance written notice) to provide a pool of trained, service oriented on-call employees and a dispatch system. The WSCC shall use such pool as its sole and exclusive hiring source. This obligation is subject to the requirement that the dispatch system and pool does not fail to provide staff reasonably requested by the WSCC for more than three (3) events in a thirty (30) day period.

4.05 New Employee Orientation

The Union will be allowed thirty minutes of presentation time to speak with new employees on matters concerning the rights of employees, responsibilities of the Union, and services available to the membership. The designated Business Representative will be notified no less than seven (7) calendar days prior to the presentation date.

ARTICLE 5 - CLASSIFICATIONS AND RATES OF PAY

5.01 Classifications

The classifications of employees covered by this Agreement and the corresponding rates of pay are set forth within Appendices A, B, C, & D which are attached hereto and made a part of this Agreement.

5.02 Pay Periods

All employees will be paid at least twice per month, including the employees of contractors and subcontractors.

5.03 Categories of Employment Defined

The categories of employment are defined below. Within specific classifications, there may be different categories of employment. An employee's classification shall not change if there is a change in an employee's category, within the classification.

Regular, Full-Time Any employee who is regularly scheduled forty (40) hours per week.

Temporary, Full-Time Any employee who is scheduled forty (40) hours per week on a temporary basis.

Regular, Part-Time Any employee who is regularly scheduled to work at least 20 hours per week but less than thirty-five (35) hours per week.

Regular, On-Call Any employee who is intermittently scheduled on the basis of WSCC events and/or facility needs.

5.04 Training Assignment Pay

If an employee is specifically assigned, by the department manager, to train another employee(s), the employee shall receive a premium of one dollar and fifty cents (\$1.50) per hour, for all actual hours spent training. This Section shall not apply to foreperson, lead employees or crew chiefs.

5.05 Probationary Pay Rate

During the initial probationary period of employment, as specified in Article 12, employee's regular hourly wage rate, with the exception of employees working in the classifications listed in Appendix A, shall be the higher of the applicable minimum wage or eighty five percent (85%) of the regular hourly wage for the category and classification in which they are working.

ARTICLE 6 - HOURS OF WORK

6.01 Standard Work Day and Week

The standard work week for full-time employees, shall consist of forty (40) hours per week, Monday through Sunday inclusive, during which period employees shall be granted two (2) consecutive days off, unless the WSCC and the affected employee mutually agree otherwise. Employees and the WSCC may mutually agree to ten (10) hour days up to four (4) days per week depending upon crew and scheduling requirements. The appropriate Union shall be notified in advance of any such arrangement. There is no guarantee of hours per day or per week for on-call categories.

6.01.1 Minimum Shifts - Part-Time & On-Call Categories

The minimum shift for part-time and on-call employees shall be four (4) consecutive hours. The minimum training shift shall be four (4) hours for mandatory training. Training that is non-mandatory or occurs during pre or post scheduled shift will be paid at actual time worked.

6.01.2 Shift Differential

Full-time and part-time employees who work five (5) or more consecutive shifts, beginning between 10:00 pm and 2:00 am shall receive a shift differential of sixty-five cents (\$0.65) per hour.

6.02 Event Schedules

Schedules of work shall be determined by contracted events and facility needs. The WSCC will make event schedules available to employees through conspicuous posting of all contracted events at least two (2) months in advance. Postings will be by the first Monday of each month.

6.03 Employee Schedules

6.03.1 On-Call Schedule Posting

All work schedules shall include the employee's beginning and anticipated ending time and shall be conspicuously posted at least seven (7) days prior to the work day.

6.03.2 Full-Time & Part-Time Categories - Monthly Scheduling.

Full-time and part-time employees' monthly schedules will be posted at least fourteen (14) days prior to the first of the next month. (Example: On Wednesday, July 18, 2012, post the monthly schedule for the entire month of August, 2012). Employees shall be allowed to select their schedule based upon their classification seniority. The WSCC reserves the right to modify, update or change the posted schedules in order to ensure that operational requirements are fulfilled. Modifications to the schedule will be dated and posted. Copies will be made available to employees upon their request to their supervisor. Instances in which an employee's unexpected absence causes a change to another employee's schedule will not be considered schedule modifications nor posted.

6.03.3 On-Call Categories - Weekly Scheduling

On-call employees' weekly schedules for work shall be based upon their classification seniority and their declaration of availability and then on their availability for on-call cross-utilization. All on-call employees must declare their availability as specified within this Article.

On-Call Cross Utilization: On-call employees who have requested and been approved to work in two (2) on-call positions within the same union. Employees who volunteer for on-call cross utilization do so with the understanding that they may be assigned cross utilization during initial scheduling. The employees that are cross-utilized will receive the wage per Article 14.03.

Confirmation Days - Employees, after indicating their availability, shall confirm their schedule on the Monday or Tuesday two (2) weeks preceding the week of the schedule*. Unconfirmed shifts are considered refusals to work.

Remaining Open Shifts - Remaining unscheduled on-call employees, who have indicated their interest for the shift pursuant to Section 6.03.5, will be notified in seniority order of the open shift.

Unconfirmed Shifts - Remaining unscheduled on-call employees who have indicated their availability for the shift pursuant to Section 6.03.5, will be notified of any unconfirmed shift. In the event no employee who indicated availability confirms the shift, all remaining, unscheduled on-call employees who have indicated their interest for the shift will be notified. Notification will be in seniority order.**

** In the event the automated scheduling system allows for a broadcast notification of the available shifts in 6.03.3 and 6.03.4, the parties agree to meet to discuss parameters, with the understanding that section 6.04.1 may not be functional and thus would need to be deleted.

No Shifts Offered - Any employee who has indicated availability and has not been offered a shift by 5:00 pm on the Wednesday* following the day the schedule was posted, shall be excused from their commitment for the work week being scheduled.

The WSCC has the right to modify, update or change work schedules of on-call employees in order to ensure that operational requirements are fulfilled.

*If a Monday or a Tuesday is a holiday specified in Article 8, then the confirmation period shall be extended by one (1) day.

6.03.4 Scheduling On-Call Categories After Confirmation Days

The WSCC shall schedule on-call employees for any added or replacement shift as follows:

1. Up until seventy-two (72) hours (excluding Saturday and Sunday) before the start of any shift for the week being scheduled, the WSCC will notify in seniority order, employees in the required classification. Those employees who have indicated that they are not available will not be notified. If no direct contact with the employee is made, the WSCC will leave a message, if possible, that the employee must contact the designated WSCC dispatch/scheduling representative within two (2) hours to confirm that shift. It is the employee's responsibility to notify the WSCC as to how messages are to be left. The WSCC has no obligation to leave messages in any alternative way. If the employee does not call to confirm that shift, the WSCC has no further scheduling obligation to that employee for the shift(s) being scheduled.
2. Within seventy two (72) hours of the start of the shift, (excluding Saturday and Sunday) the WSCC shall notify employees by seniority in the required classification and shall schedule employees as they are contacted. Only those who have indicated that they are available and those who have indicated interest for the shift will be notified.

6.03.5 Declaration of Availability - On-Call Employees

Employees may change their availability monthly in the on-line dispatch system no later than 8:00 a.m. on the Monday three (3) weeks prior to the first day of the month. Thereafter, employees may not change their declared availability for the month being scheduled.

Employees must declare availability of at least six (6) shifts in a month with each such shift consisting of at least six (6) consecutive hours between the hours of 6:00 am to midnight. On-Call Set-Up Attendants must declare availability of at least eight (8) standard set-up shifts in a month (7:00 a.m. to 3:30 p.m., 2:30 to 11:00 p.m., 5:00 p.m. to 1:30 a.m.)

Employees who do not meet the established minimums in a month will have the month counted as one (1) refusal. A month in which the employee will be off for more than three (3) consecutive weeks on a management-approved leave, will not count as a refusal. Employees will be granted two (2) months in a calendar year in which they will not be required to declare availability with the established minimums and will not have the month counted as a refusal. No waivers will be permitted while on probation.

6.04 No Bumping After Shift Confirmation

Once an employee has confirmed a work schedule and/or shift, seniority may not be used to bump into any other work schedule and/or shift.

6.04.1 After the schedule has been posted, if an additional shift is added that is longer than the shift assigned to another employee (or employees) in that classification with the same shift start time, the WSCC will make a good faith effort to offer the longer shift to the most senior such employee. If the WSCC is unable to reach the most senior employee, if the employee is not available, or the employee does not want the extended shift, it may be assigned to an employee that has not yet been assigned to a shift on that day.

6.05 48 Hour Notice Premium

If within forty-eight (48) hours of a work shift, an employee is required to start earlier, or later, than the previously confirmed starting time, the employee will receive a premium equal to one and one-half (1½) times their his regular hourly rate for all time worked that is different from the original confirmed start time. Employees will receive four (4) hours pay at their regular hourly rate of pay if their shift is cancelled within forty-eight (48) hours of the start of their shift. If an employee is scheduled for more than a minimum four (4) hour shift, the employee will be paid the regular rate of pay for the hours lost if

their shift is reduced after the shift begins. If an employee volunteers and is approved to leave early, there will be no pay for the lost time. The following chart clarifies this Section.

<u>Type of Change from Original Schedule</u>	<u>Premium Payment</u>
New Shift Added	Regular rate of pay
Shift Lengthened (asked to come in early, prior to start)	Added time at 1.5 x reg. rate
Shift Lengthened (asked to stay later, after the start)	Added time at reg. rate
Shift Shortened (asked to come in later, prior to start)	Lost time at reg. rate
Shift Shortened (asked to leave early, after the start)	Lost time at reg. rate
Shift Entirely Cancelled	Minimum shift pay
Shift Shortened (Employee volunteers to leave early)	No pay for lost time

6.05.1 Reduction or Cancellation of Confirmed Shifts - On-Call Categories Only

The WSCC agrees that it will only reduce or cancel shifts based on the criteria of operational needs and shall notify the least senior employee working the identical shift in the same classification of a cancellation or a reduction in their shift in a timely fashion.

6.06 Minimum Time Off Between Work Shifts

Employees shall receive at least eight (8) hours off between work shifts. Time off shall be defined as the difference between the time the employee clocks out at the end of a shift and the time he clocks in to begin the succeeding shift. In the event that an employee does not receive the minimum time off, the employee shall receive compensation at the overtime rate of pay for all time worked within the minimum time off period.

6.07 Refusal of Work and "No Shows"

6.07.1 Absences

Failing to report for a confirmed shift constitutes an absence. Employees must notify their supervisor or designee at least two (2) hours prior to the start of the assigned shift to report an absence to be considered an excused absence. An absence will be considered a "no show" unless advance notice was provided. Any absence (regardless of advance notice) will be considered a no-show if an employee calls out to work elsewhere, or the actual reason for the call out is different from what is stated at the time of the call-out. An absence which is not excused shall be classified as a "no-show". Two (2) "no shows" in a rolling twelve (12) month period shall be cause for termination.

6.07.2 Refusal of Work

This Section applies only to those on-call employees, pursuant to Sections 6.03.3 and 6.03.5. Three (3) refusals in a rolling twelve (12) month period shall be just cause for termination of employment. Should the employee receive a refusal for not confirming for a scheduled week, that will count as one (1) refusal for purposes of the twelve (12) month calculation.

6.07.3 Job Abandonment

Employees who do not work within a consecutive one hundred eighty (180) day time period shall be terminated for job abandonment. This provision shall not apply to employees who have submitted

availability during the one hundred eighty (180) day period, but have not worked because they were not contacted by WSCC.

ARTICLE 7 - OVERTIME

7.01 Overtime Defined

All employees shall be compensated at the rate of one and one-half (1½) times the employee's regular hourly rate of pay for the time worked in excess of forty (40) hours per week, or for any hours in excess of eight (8) hours in a day. If the WSCC and the employee agree to ten (10) hour shifts in accordance with Article 6.01, there will be no overtime for any hours worked on the regularly scheduled shift. There shall be no pyramiding of overtime. The WSCC has the right to require overtime as it deems necessary. Overtime hours will be offered to on-duty employees in descending order of category seniority. Pre-scheduled overtime will be offered by category (see 5.03) seniority. If not accepted by a more senior employee, it will be assigned to the less senior employee in that category of the classification.

7.02 Overtime Authorization

All overtime shall be authorized in advance by their department director or manager, or their designee, in writing. In emergencies or situations where no supervisory staff is available to authorize the overtime, the individual may work the overtime, but will be required to submit written notification to a supervisor as justification within twenty-four (24) hours of the end of the shift.

7.03 Callout Premium

A minimum of four (4) hours at the overtime rate shall be allowed for each callout. Where such overtime exceeds four (4) hours, the actual hours worked shall be allowed at the overtime rate except as limited by 7.03.1. This provision applies only to full-time employees.

7.03.1 Callout Defined

A "callout" shall be defined as that circumstance when an employee has left the work premises and is contacted by competent authority during their off work period and requested to report back to work at an unscheduled time. Overtime beyond the four (4) hour minimum under this Section ends when an employee's regular shift begins and the employee would accrue no additional overtime unless they work more than eight (8) hours from the beginning of their regular shift.

EXAMPLE: An employee whose regular schedule is 7:00 a.m. to 3:30 p.m. who is called out at 4:00 a.m. and works until 4:00 p.m. would receive four and one-half (4½) hours of overtime pay. Four (4) hour minimum callout for 4:00 a.m. to 8:00 a.m. + 1/2 hour for 3:30 p.m. to 4:00 p.m. = 4½ hours at the overtime rate of pay.

7.04 Parking Accommodation

In the event an employee is required to return to work, pursuant to Sections 7.03 and 7.03.1, the employee will be allowed to park their personal vehicle in the loading dock area, provided: the WSCC garage is closed; space is available in the loading dock area; and the department manager has authorized it.

7.04.1 Parking Rates and Fees

The daily parking rate for employees will increase to \$8.00 effective the month following ratification by the WSCC Board of Directors. Parking cards shall only be used when an employee is scheduled and has an assigned shift. Employee parking is designated to the Freeway Park garage. Safety issues will be discussed at the Safety Committee.

7.04.2 ORCA/Bus Pass Program

The current Commute Pass procedures will be continued. Prior to implementing a change in the procedure, WSCC will give the WSCC-LC notice and the opportunity to bargain.

7.05 Meal Breaks

If the employee is called back to work during the employee's unpaid thirty (30) minute meal break, the employee will be compensated for the original meal break and given another opportunity for a full unpaid thirty (30) minute meal break as soon as possible thereafter. Compensation will be at the employee's regular (straight time) hourly wage rate, except when the time is during an overtime period as defined in Article 7.01.

Employees may not use sick leave for their first ninety (90) days of employment, although sick leave will accrue during that period.

If a regular full-time employee is in a without pay status for part of a month, the employee would accrue sick leave based on a prorated basis (actual hours worked in a calendar month/2080 x 96 (maximum full-time annual accrual of sick leave) . Sick leave cannot be used in the same month in which it is accrued.

10.01.3 Maximum Accrual

All employees may carry-over from one calendar year to the next up to seven hundred twenty (720) hours of sick leave. Sick leave may be applied to an absence caused by the following reasons:

1. Employee's own illness, injury or health condition; medical diagnosis; or preventive medical care;

Upon absence of more than three (3) consecutive shifts, the employee may be required to furnish verification of use for an authorized purpose. When a holiday or regular day off falls within the prescribed period of absence due to illness or injury, it shall not be charged to the employee's leave balance.

10.03 Commencement of Sick Leave Accrual

An employee who enters the service of the WSCC shall begin earning sick leave from the first day of work. Any employee that is rehired within twelve (12) months of leaving employment with WSCC will have their sick leave balance as of the date of separation reinstated.

10.04 Use of Vacation Leave Upon Exhaustion of Sick Leave

Sick leave shall not be used in lieu of vacation, but vacation time may be used in lieu of sick leave, after accrued sick leave has been exhausted.

10.05 Family Care

An employee may use their choice of accrued paid leave (such as vacation, sick leave or personal holidays) for the following purposes: (a) to care for a child with a health condition that requires treatment or supervision, or where the child needs preventive care (such as medical, dental, optical or immunization services); or (b) to care for a member of the employee's "immediate family" (as defined in Section 10.06) who has a serious health condition or emergency health condition.

Employees are required to notify their supervisor of the need to take time off to care for a family member as soon as the need for leave becomes known. If paid sick leave is used for family care absence, verification confirming a family member's serious or emergency health condition may be required when an employee has been out for more than three (3) consecutive work days.

10.06 Immediate Family Defined

For purposes of this Article and for Bereavement Leave under Section 11.01, a member of the "immediate family" shall be construed to mean a person related by blood or marriage or legal adoption as follows: grandmother, grandfather, grandchild, mother, father, wife, husband, child (to include step and or foster child, as well as a child who the employee stands in loco parentis or is a defacto parent), sister or brother of the employee, or a member of the employee's household as defined by WAC 357-01-182. If the need for sick leave is foreseeable, the notice must be provided at least ten (10) days in advance, or as early as otherwise practicable. If the need for leave is unforeseeable, an employee must provide notice as soon as possible (and at least two (2) hours per Article 6.07.1) before the start of their required shift. In the event it is impracticable for an employee to provide notice to the employer, a person on the employee's behalf may provide the notice.

10.10 Washington Paid Family Medical Leave

WSSC complies with the Washington State Paid Family Medical Leave (PFML) program. Premiums are established by the State of Washington. Employees will pay the designated employee share of premiums via payroll deduction and the WSSC will pay the designated employer share.

ARTICLE 11 – OTHER LEAVE

11.01 Bereavement Leave

All employees, with the exception of the employees working in the on-call categories listed in Appendix A, shall be entitled to twenty-four (24) hours of bereavement leave for each death of a member of their "immediate family" (as defined in Section 10.06) to attend the funeral, or otherwise make arrangements directly related to the death. No one request for bereavement leave may exceed twenty-four (24) hours. Bereavement leave for all other categories of employees shall be prorated in accordance with Section 10.01.2. Eligibility to use bereavement leave is the same as for sick leave. Bona fide documentation of the need for bereavement leave may be requested by the supervisor.

11.01.1 Use of Sick Leave Upon Exhaustion of Bereavement Leave

Any employee who has exhausted his/her bereavement leave shall be entitled to use sick leave in the amount of three (3) days for each instance when death occurs to a member of the employee's "immediate family."

11.02 Jury Duty

Should an employee, other than a probationary employee, be required to serve on a petit jury and as a result be prevented from performing scheduled work, the employee shall nevertheless be paid their regular straight-time rate of pay for hours which would have been worked, based upon either the employee's regular weekly schedule; or, for on-call categories the hours which would have been scheduled, based on seniority and availability. Such payment shall not exceed fourteen (14) days in any calendar year. An employee on jury duty shall make a reasonable effort to work an assigned shift when this can be done without interfering with their jury service.

11.03 Other Leave Entitlements

WSCC shall grant employees other leaves in accordance with current legal requirements, or for other reasons mutually agreed upon by the Employer and employee.

ARTICLE 12 -- SENIORITY

12.01 Seniority Defined

Classification seniority is defined as the employee's total compensated hours accumulated in a classification listed in Appendices A, B, C, & D, from the most recent date of hire. Category seniority is defined as the employee's total compensated hours accumulated in the specific category (see 5.03) of a classification. Bargaining unit seniority is defined as the total compensated hours accumulated for the employer in all classifications listed in Appendices A, B, C, & D from the most recent date of hire.

12.02 Probationary Period

An employee shall be considered probationary for the first three (3) months worked in which they have worked at least sixty (60) hours per month, except on-call and part-time employees whose probationary period shall be six (6) months. The first two hundred forty (240) hours worked of the full-time employee's probationary period will be compensated as outlined in Article 5.05. The balance of the probationary period will be compensated at the regular hourly rate of pay. The first ten (10) of the on-call and part-time employees' probationary shifts will be compensated as outlined in Article 5.05 (Probationary Pay Rate). The balance of the probationary period will be compensated at the regular hourly rate of pay. An employee's probationary period may be extended in monthly increments up to two (2) months by mutual written consent between the WSCC, the employee and the union. The provisions of Article 18 shall not apply to probationary employees. Probationary employees may not use the grievance procedure to contest their discipline or discharge. All hours worked shall be applied to employee's seniority upon satisfactory completion of the probationary period. The WSCC agrees to notify a probationary employee in writing of their termination no later than the end of the last shift worked if possible and in any case, no later than five (5) days following the last shift worked.

12.02.1 Return Rights Upon Transfer or Promotion

Employees who are promoted or transferred to any other classification or category within the bargaining unit shall serve a probationary period equal to that provided for in Section 12.02. If the WSCC determines that the employee is not acceptable in the new position, they shall retain all rights accrued and be able to use seniority to work whatever schedule is still available in the former classification or category.

12.03 Application of Seniority

Work schedules and overtime shall be controlled by classification seniority; or in the event of multiple categories within a classification, it shall be controlled by category seniority with the senior person having preference. Vacation scheduling and other matters where a choice must be made among and between employees shall be controlled by classification seniority, with the senior person having preference. Work and station assignments are excluded from the provisions of this section. Employees who are hired into more than one classification within a bargaining unit shall retain seniority in each classification by having only those hours worked in the specific classification included in the seniority calculation for the specific classification. Employees who are cross-utilized as outlined in Article 14.03 shall have the hours worked out of classification included in the seniority calculation for their classification. Whenever reasonably

possible, current employees will be given the opportunity to interview for positions in which they have applied and meet the minimum qualifications.

12.04 Layoff, Recall, and Bumping

Any layoff or recall shall be by and within the employee's job classification and category seniority only except that employees in Appendices A, B and C who are subject to a Last Chance Agreement may be laid off without regard to seniority. During layoff, there shall be no "bumping" rights from one classification and category to any other classification and category, except where the employee doing the "bumping" has actually worked in the other classification and category for a minimum of seven hundred twenty (720) hours in which case, bargaining unit seniority shall apply. A laid-off employee must notify the WSCC in writing of any changes to their availability for work and current address/email in order to be eligible for recall. At the time of recall, the WSCC shall send the employee, by email or certified mail, written notification of the recall. Email recall notifications shall solicit an affirmative confirmation from the employee of receipt of the notice. The employee must respond to the recall, by contacting the WSCC, within five (5) working days of the date of the notification. Failure to contact the WSCC within the designated time period will extinguish the employee's rights related to the recall. In the event that not all positions will be recalled, the order in which employees will be recalled shall be as follows:

1. Full-time employees will be recalled first and offered any available full-time positions within their classification. If there are no full-time positions available, they will be offered available part-time or on-call positions within their classification.
2. Part-time employees will be recalled and offered any available part-time positions within their classification. If there are no part-time positions available, they will be offered available on-call positions within their classification.
3. On-call employees will be recalled and offered available on-call positions within their classification.

12.05 Conditions That Eliminate Seniority Rights [TA pending resolution of 12.08]

All seniority rights are eliminated by:

- a. discharge for just cause;
- b. resignation;
- c. voluntary transfer from the bargaining unit (except per 12.08);
- d. layoff for more than eighteen (18) months;
- e. failure to return from authorized leaves of absence;

12.06 Seniority Protection - Industrial Injury

Employees who are unable to work, due to an industrial injury, will have their seniority protected for no more than one hundred eighty (180) days and hours worked in a classification retained for (2) years, provided the following conditions are met:

1. the industrial injury occurred while working at the WSCC; and
2. the employee properly notified the WSCC of the injury when it occurred; and
3. the industrial injury claim is accepted by the Department of Labor & Industries as a bona fide claim; and
4. the employee would have worked during the period of time of the absence.

12.07 Seniority Lists

Seniority lists established in accordance with the provisions of this Article shall be posted in the applicable work areas twice each year. Seniority lists, when posted, will include the next date of the seniority list publication. Employees may contest their seniority ranking by use of the grievance procedure.

12.08 Seniority Upon Promotion or Transfer

An employee promoting or transferring to a non-bargaining unit position shall have their seniority restored in the event they are returned to a position in the bargaining unit within twelve (12) months of moving out of the unit; provided however, nothing in this Article 12.08 shall be construed to create bumping rights for the returning employee.

ARTICLE 13 - HEALTH & WELFARE AND PENSION

13.01 Summary of Benefits

Health and Welfare benefits and retirement benefits are as provided in Appendices A, B, C & D for each individual union.

13.02 Benefit Payment Deadline

The WSCC will provide the names of eligible employees to the respective trusts by the 10th of the following month. The monthly payment for all Health & Welfare and Pension contributions shall be made by the WSCC by the 25th of the following month.

ARTICLE 14 -- MANAGEMENT RIGHTS

14.01 Statement of Management Rights

The WSCC retains all its customary, usual, and exclusive rights, decision-making prerogatives, functions, and authority connected with or in any way incidental to its responsibility to manage the Center. The WSCC retains all prerogatives, functions, and rights not specifically limited by the terms of this Agreement.

14.02 Illustrations

By way of illustration, the exclusive prerogatives, functions, and rights of the WSCC shall include the following:

- a. The right to operate and manage its affairs in all respects in accordance with its responsibilities and powers of authority.
- b. That every incidental duty connected with operations enumerated in job descriptions is not always specifically described.
- c. The right to layoff personnel for lack of work or funds; or for the occurrence of conditions beyond the control of the WSCC; or when such continuation of work would be wasteful and unproductive.

- d. The right to determine methods, means, and employees necessary for operations subject to this Agreement.
- e. The right to control the budget.
- f. The right to take whatever actions are necessary in emergencies in order to assure the proper functioning of the WSCC.
- g. To determine the need for additional educational courses, training programs, on-the-job training and cross-training, and to assign employees to such duties for periods to be determined by the WSCC.
- h. To establish, revise, and implement standards for hiring, classification, promotion, quality of work, training, safety, materials, equipment, facilities, uniforms, appearance, operational methods, and procedures.

14.03 Cross-Utilization

All work shall be assigned by the WSCC on the basis of traditional craft jurisdiction. However, the WSCC shall have the right to assign work to individuals outside of their classification. In the event of such assignment, the individual employee shall receive the rate of pay for such employee's classification or for the classification of the work assigned, whichever is higher. The employee must have the certification and skills necessary to perform the work assigned. This right will not be used to reduce or eliminate bargaining unit positions.

14.04 Aid, Promote, or Finance

The WSCC shall not aid, promote, or finance any labor group or organization purporting to engage in collective bargaining or make any agreement with any such group or organization which would violate any rights of the Union under this Agreement.

ARTICLE 15 -- GRIEVANCE PROCEDURE

15.01 Early Settlement

The WSCC and the WSCC-LC recognize the importance and desirability of settling grievances, including jurisdictional disputes, promptly and fairly in the interest of continued good employee relations and morale. With regards to jurisdictional issues, any potential concern must immediately be brought to the attention of the supervisor so that it can be investigated promptly as a condition precedent to filing a grievance regarding the matter. In furtherance of this objective, the WSCC and the WSCC-LC shall extend every effort to settle grievances at the lowest possible level of supervision. Prior to filing a grievance form, employees are encouraged to discuss the matter with their supervisor. This discussion, however, does not extend the time limits of filing a formal grievance, as set forth in Section 15.06, unless an agreement to do so is reduced to writing.

15.02 No Penalty Allowed

Employees shall be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievance.

15.03 Grievance Defined

A grievance shall be defined as an issue relating to the interpretation and application of rights, benefits, or conditions of employment as contained in this Agreement.

15.04 Union - Exclusive Representative

Neither the WSCC-LC nor the WSCC member Union shall be required to press employee grievances if in the WSCC-LC's or member Union's opinion, such lack merit. With respect to the processings, disposition and/or settlement of any grievance, including hearings and final decision of any Arbitrator, the Union having work jurisdiction over the matter shall be the exclusive representative of the employee.

15.05 Right to Invoke Procedure

Employees shall have no independent unilateral privilege or right to invoke the grievance procedure beyond Step 1.

15.06 Step 1

A grievance must be presented by the aggrieved employee(s), the shop steward or their Union Representative to the employee(s) supervisor or designee. If the grievance is filed by the employee(s) or the shop steward it must be presented on the Step 1 Grievance Form to the supervisor or designee within ten (10) calendar days of the occurrence of the incident (or of the date on which the employee reasonably should have become aware of the incident). Any employee-initiated grievance received by WSCC shall be forwarded to the Union with the Step 1 response. Any grievance challenging a disciplinary suspension or discharge may be immediately advanced to Step 2 for processing upon mutual agreement of the parties.

If a formal grievance is filed by the Union Representative, it shall be filed in writing within the prescribed ten (10) calendar day period. Union-initiated grievances shall be in writing, but do not need to use the Step 1 Grievance Form. The Union must specify the aggrieved employee(s), article violated, date of violation and relevant facts in the submission.

Shop stewards shall have the authority to settle grievances at Step 1 in a non-precedent setting manner, provided that the Union representative has agreed to the settlement in writing. The immediate supervisor shall review all relevant facts, and attempt to adjust the matter and will notify the employee and/or the Shop Steward and the appropriate Union Representative, in writing, of their decision within ten (10) calendar days. The date the WSCC receives the Step 1 Grievance Form shall be utilized to establish the initial date of the written grievance received from the employee(s) or the Shop Steward.

It is the intent of the parties that grievances shall not move to Step 2, without first going through Step 1. In no event shall the WSCC's liability for claims pursuant to this Article exceed sixty (60) days of claimant's wages and benefits.

15.07 Step 2

If the grievance has not been satisfactorily resolved, the employee and the WSCC-LC member Union Representative shall, within fourteen (14) calendar days of receipt of the supervisor's decision at Step 1, reduce the grievance to writing, outlining the facts as they are understood at the time, the Section(s) of the Agreement violated and the remedy sought. Compliance with these requirements is a prerequisite to taking the grievance to Step 3. If the WSCC responds to the merits of the grievance, it shall have waived any right it may have had to contest the completeness of the written grievance, unless it also raised that specific issue in the response. The written grievance shall then be presented to the WSCC President or

their designee for investigation, discussion and written reply. The WSCC President or their designee shall send a written decision to the aggrieved employee and the affected Union within ten (10) calendar days after receipt of the written grievance or after completion of a meeting held between the parties to discuss the grievance; whichever is later.

15.08 Step 3

If the decision of the WSCC President or their designee has not resolved the grievance to the satisfaction of the affected Union, the Union shall notify the WSCC-LC President or their designee in writing within seven (7) days of its receipt of the WSCC President's decision, and whether it wants to convene a Step 3 committee meeting with a copy provided to the WSCC President. The WSCC-LC President or designee shall notify the WSCC President or designee within fourteen (14) days following receipt of the request to convene a Step 3 committee hearing regarding the WSCC's decision at Step 2. Within twenty one (21) calendar days of the date of the receipt of the written request for a committee meeting, the grievance shall be presented to a joint committee of equal representation from the WSCC-LC and the WSCC with a maximum of two (2) for each side. It shall be the responsibility of the affected Union and the WSCC to each assemble its part of the Step 3 committee in a timely fashion. Failure of either side to comply with this requirement shall dispose of the grievance pursuant to the time limits clause (Article 15.10). This committee shall attempt to resolve the grievance within seven (7) calendar days after its presentation to the committee. A majority vote of the committee shall constitute a final and binding resolution of the grievance on all parties.

15.09 Step 4

Should the Step 3 Committee be unable to resolve the grievance, either the WSCC or the WSCC-LC may request arbitration specifying the question(s) which it wishes to be arbitrated, the Section(s) of the Agreement violated and the remedy sought, provided such request has been initiated within fourteen (14) calendar days from the date of completion of Step 3. In the event that the parties are unable to agree upon a third party to serve as an arbitrator, then the arbitrator shall be selected from a panel of eleven (11) names from Washington or Oregon furnished by PERC. The arbitrator shall be selected from the list by both the WSCC representative and the WSCC-LC representative each alternately striking a name from the list until only one name remains. The remaining name shall serve as the arbitrator. The arbitration shall be conducted under the voluntary labor arbitration rules of the American Arbitration Association. The arbitrator shall be asked to render a decision within thirty (30) days and the decision of the arbitrator shall be final and binding upon all parties to the dispute.

15.10 Time Limits

Failure of either party to meet time limits imposed in this Article shall result in a decision in favor of the other party. Timelines may be extended by mutual written agreement. A request for extension made prior to the due date shall not be unreasonably denied.

15.11 Arbitrator's Authority

The arbitrator shall have no power to add to, subtract from, disregard, modify or otherwise alter any terms of this Agreement, or to negotiate new agreements, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.

15.12 Arbitrator's Fee

The arbitrator's fee and expenses shall be borne equally by the WSCC and the WSCC-LC. The court reporter's fee and expenses, if mutually agreed upon in advance, shall be borne equally by the WSCC and

the WSCC-LC. Each party shall bear the cost of any witnesses and representatives, including attorneys appearing on its own behalf.

15.13 Disposition & Settlement

The disposition and/or settlement of any grievance or other matter in dispute as determined by and between the WSCC-LC and the WSCC shall be final and binding upon all parties to the dispute.

15.14 Voluntary Mediation

Matters submitted to Step 4 may upon mutual agreement of the parties be submitted to voluntary mediation before selecting an arbitrator.

ARTICLE 16 - WORK STOPPAGES AND EMPLOYER PROTECTION

16.01 Work Stoppages Prohibited

The WSCC, the WSCC-LC, and the Unions agree that the public interest requires efficient and uninterrupted performance of all WSCC services and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the WSCC-LC and the Unions shall not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with WSCC functions by employees under this Agreement and should same occur, the WSCC-LC and the involved Union shall take appropriate steps to end such interference. Any concerted action by any employee in any bargaining unit shall be deemed a work stoppage if any of the afore referenced activities have occurred contrary to the provisions of this Agreement. Being absent without authorized leave shall be considered as an automatic resignation. Such a resignation may be rescinded by the President or their designee if the employee presents satisfactory reasons for their absence within three (3) calendar days of the date their automatic resignation became effective.

16.02 WSCC's & WSCC-LC's Responsibilities

Upon notification in writing by the WSCC to the WSCC-LC and the Union that any of its members are engaged in a work stoppage, the WSCC-LC and the Union shall immediately, in writing, order such members to immediately cease engaging in such work stoppage and to provide the WSCC with a copy of such order. In addition, if requested by the WSCC, a responsible official of the Union shall publicly order such Union member to cease engaging in such work stoppage.

16.03 Disciplinary Action

Any employee participating in such work stoppage or in other ways committing an act prohibited in this Article shall be subject to disciplinary action in accordance with the WSCC's work rules up to and including discharge, suspension, or other disciplinary action as may be deemed applicable to such employee.

ARTICLE 17 - UNION BUSINESS

17.01 Visitation

Following contact with the WSCC representative in charge, authorized representatives of the WSCC-LC shall be allowed access to all WSCC facilities at any working hours for union business. The WSCC-LC

agrees to not unduly interfere with employees in carrying out their duties. It is understood that there may be times when access may be limited due to WSCC's client event requirements. Temporary WSCC credentials shall be conspicuously worn while on the premises, and the representative shall enter through Security Control.

17.02 Shop Stewards

Each Union shall have the right to install shop stewards. Shop stewards shall carry out such responsibilities as are given them by their Union but they shall not interfere with the management or operation of the WSCC or direct the work of any employee. Shop steward's duties shall not interfere with work duties and shall not be conducted on work time unless approved by the supervisor.

17.03 Bulletin Boards

The WSCC will provide space on bulletin boards where the WSCC-LC members may, with the WSCC Human Resources Manager's approval, place materials for their members.

17.04 Release Time For Union Business

The Union may request that a bargaining unit employee be granted a personal leave of absence without pay for up to three (3) months for purposes of attending to Union business. Upon receipt of such written request, the Employer will confer the Union representatives regarding such request. The Employer may decline such requested leave of absence if, in the Employer's judgment, such leave of absence would adversely impact its operations.

ARTICLE 18 - DISCIPLINE AND DISCHARGE

18.01 Discharge for Cause

The WSCC shall have the right to discharge or otherwise discipline any employee for just cause. This Article is not applicable to employees who are serving their initial probationary period at the WSCC.

18.02 Notice of Discharge

In the event of discharge for cause, written notice of the reason for the discharge shall be given to the employee, with a copy sent to their Union, within five (5) workdays (not including Saturday or Sunday) following the discharge.

18.03 Right to Union Representation

The Employer recognizes the right of an employee to Union representation during the investigative phase of corrective action, if requested by the employee.

18.04 Discipline Notices

The Employer will make a good faith effort to promptly investigate matters that could lead to discipline, recognizing that business/operational needs and the complexity of the investigation may impact the time needed to conduct the investigation. It is understood by the parties that employees may choose to sign or not sign the disciplinary notice. Such signature shall only constitute acknowledgement of receipt, and does not constitute acceptance of the corrective action. Should discipline rise to the level of suspension or termination, a copy of the disciplinary suspension or termination letter will be provided to the Union.

18.05 Progressive Discipline

The WSCC and the WSCC-LC recognize the concept of progressive discipline, and further recognize that some situations may require suspension or termination for the first offense, based on the nature or severity of the alleged offense.

ARTICLE 19 -- SAVINGS CLAUSE

19.01

Should any part hereof or any provisions herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portions of this Agreement shall not invalidate the remaining portions hereof; provided however, upon such invalidation the parties shall meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 20 -- DURATION

20.01 Effective Dates

This Agreement and each of its provisions shall become effective January 1, 2022, and shall continue in full force and effect through December 31, 2025. Appendices A, B, C, D & E, shall remain in effect through December 31, 2025.

20.02 Continuation Provision

This Agreement and each of its provisions shall continue from year to year after December 31, 2025, unless written notice of the intention to propose changes in the terms of the Agreement is given by either party at least sixty (60) days prior to December 31, 2025 or at least sixty (60) days prior to December 31 of any year thereafter. In the event that WSCC funding is reduced by the source of such funds, the WSCC reserves the right to re-open the wage rates, benefits and economic Sections of the Agreement within sixty (60) days of its notification of budget reduction.

20.03 Day to Day Extension

If, after notice is given by either party per Section 20.02, no new Agreement is reached by the expiration date of this Agreement and negotiations are continued beyond said date, this Agreement shall remain in full force and effect on a day-to-day basis up to the time a new Agreement is reached, but shall immediately terminate if an impasse is declared in writing by either party.

ARTICLE 21 -- JOINT LABOR MANAGEMENT COMMITTEE

21.01

The parties recognize it is in their best interest to develop and maintain a good on-going working relationship that promotes further development of trust, communication and cooperation. Therefore the parties agree to establish a Labor Management Committee for the exclusive internal purpose of developing a cooperative problem solving forum on issues of common concern. In no case may either

party communicate outside of the committee. It is understood and agreed that the Labor Management Committee has no authority to amend or negotiate the Labor Agreement.

21.02 New Building

WSCC-LC reserves the right to bargain over all impacts of the new building whether identified prior to or subsequent to the issuance of the temporary certificate of occupancy. WSCC intends to begin scheduling client events in the new building in 2023. The parties agree to meet in a labor management forum during 2022 and 2023 on a quarterly basis, if so requested by either party. The purpose of the meetings will be to address anticipated impacts to any bargaining unit's terms and conditions of employment. Any mutual written agreements will be in the form of a Memorandum of Understanding.

ARTICLE 22 -- APPRENTICESHIP PROGRAM

22.01

Without obligation to participate, the WSCC, party to this Agreement, recognizes the value of the Washington State Apprentice Programs and will consider selective participation as may be appropriate within budget and staffing limitations. Financial participation will begin at such time as the WSCC agrees to accept an apprentice.

ARTICLE 23 – AMENDMENTS TO THE AGREEMENT

23.01

The Employer and the Unions may mutually agree to amend this Agreement.

Attachments and/or Amendments, Letters of Understanding or Memoranda of Understanding may be attached to and shall be incorporated in the Agreement by this reference.

ARTICLE 24 – PERFORMANCE REVIEWS

24.01

Performance reviews may be conducted on employees in all classifications listed in Appendices A, B, C and D. Prior to implementation, WSCC (and or ARAMARK, if applicable) will provide a draft of the performance evaluation form and process to the WSCC-LC and allow thirty (30) days for comment and input. WSCC will also bargain impacts, if any, with the WSCC-LC.

ARTICLE 25 – INSPECTION OF PERSONNEL FILES

25.01

All employees shall have the right to inspect their personnel file, within a reasonable time after the request. Absent unusual circumstances, the file will be made available for review within ten (10) calendar days.
